### **FALL/WINTER '23**

Our collection is not only beautiful, but also provides a smile, a moment of happiness, a moment of joy. Surprising combinations between colours, prints and textures that create an unexpected, cheerful and colourful "clash". Every design with a bit of nostalgia. A lifestyle that celebrates life. That is what Oilily stands for. We have also added new colourful designs to our kids collection.

A woman with long, wavy brown hair is the central figure, wearing a vibrant, multi-colored striped dress with a matching shawl draped over her shoulders. The shawl is flowing and voluminous, extending towards the top left of the frame. The background is a solid, warm brown color. The overall mood is elegant and festive.
